1. To iron out any seeming inconsistencies between the recommendations of the Security Officer, and the recommendations of this office, [redacted] and I have agreed that paragraph 2C of his memorandum dated 1 October 1951 should be supplemented with this sentence:

"The cost of such insurance shall be paid by the Agency and charged to the employee."

2. The Agreement (Tab B) should be supplemented with the following paragraph which would follow your paragraph 3:

"I will maintain in force any liability insurance carried on said vehicle until it is delivered to the common-carrier at the port of embarkation. If none is carried, or that which is carried is deemed inadequate, I hereby authorize the Government to procure appropriate insurance on the vehicle and to charge me for the same."
